Nels. Anderson, of Topeka, will answer calls to speak to Swedish people in their own tongue upon the issues of the people's party wherever his services may be desired for that purpose. Terms, \$1.50 per day and expenses. If there are any Swedish settlements in the vicinity of any of our alliances, they may do a little good missionary work by getting Mr. Anderson amongst them.

To the Members of County Central Committees of the State.

For the good of the order we would most respectfully request that you take the necessary steps to organize the county by having a member appointed for each township, ward or industrial organization in your several counties where no such action has already been taken, in order to perfect the machinery of the party.

By order of the state central committee.
J. F. WILKIN, Chairman.
S. W. CHASE, Secretary.

Local Committees.

To all local committees wanting speakers: In order to facilitate business, to save expense and clashing of dates, the State Central Committee has secured a list of speakers who will be subject to call at such dates as not previously engaged:

W. H. Utley, W. M. Goodner, Hon. John Davis, Mrs. Anna L. Diggs, John F. Wilkita, W. W. Wiley, John G. Otis, S. M. Snyder, W. L. Brown, F. L. Balley.

Other speakers will be added to above list during the campaign. When the choice of speakers is left to the committee, we guarantee entire satisfaction, where reasonable time is given. In making engagements a clear understanding of all details is an especial feature, that funds may be easily raised, promptly paid, or disappointments to any one avoided.

Address, State Central Committee, Crawford building.

S. D. MCGAVRAN, Manager.

Citizens' Alliance of Kansas.

OLATHE, Kan., August 16, 1890.

Having formed a state organization of the Citizens' alliance, hereafter all communications regarding the formation of Citizens' alliances should be addressed to the state secretary, W. F. Rightmire, Cottonwood Falls, Kan., who will furnish for ten cents, to cover expense, the proper official papers to form a Citizens' alliance, in accordance with the plan authorized by the State Citizens' alliance at their state convention August 12, 1890.

Any person who can give this grand work a little time is hereby authorized to organize in his locality, whether it be in a city, town or school district.

All Citizens' alliances organized before August 12, 1890, should send ten cents to the state secretary and secure the new work as ordered by the state convention of the Citizens' alliance.

The Citizens' alliance is not a secret society, as some erroneously suppose, but holds open meetings and invites everybody. It is an auxiliary of the Farmers' alliance and Industrial Union. We sincerely believe that no reformer will have done his duty until he shall have organized his locality.

D. C. ZIEGLER,
President Citizens' Alliance of Kansas.

Knights of Labor.

C. O. Fee, of Leavenworth, Kan., D. M. W. of District Assembly No. 99, desires us to announce that he will answer calls for the organization of local assemblies in the First Congressional district. Address him at Leavenworth, Kan.

Notice.

Each sub-alliance in Reno county is requested to recommend two or more good alliance men in each township (for convenience send name of one in the south and one in the north part of each township), who are suitable persons to act as crop reporters for the ensuing year. Give the township, range and section on which each person recommended is located. Brethren, see that this matter is attended to at once. ISAIAH C. MURPHY,
Reno County Crop Statistician.

Alliance Lectures.

In order that a place and date may be fixed, brethren desiring either open or closed lectures should write to me at Topeka, Kansas. It were better that several sub-alliances join, say three to five, and bring out all the unconverted possible. A partial list of appointments to date:

- Tascott, Ottawa county, Sept. 8.
- Howard, Elk county, Sept. 9.
- Edgingham, Atchison county, Sept. 10.
- Atchison county fair, Sept. 12.
- Everest, Brown county, Sept. 13.
